

HUNGER IS CURABLE!

Did you know **55% of school-aged kids in Manatee benefit from free or reduced priced meals** at school? The Food Bank of Manatee needs support from our community to help **provide meals to food insecure children** during the summer months.

This year, the "**Sack Summer Hunger**" campaign will help bridge that hunger gap by distributing **1,000 weekend food sacks for kids for 9 weeks** starting **June 9th, 2017** through **August 4th**.
